Financial Assistance Program Policy (FAP)

PURPOSE:

The purpose of this policy is to ensure a fair, non-discriminatory, effective, and uniform method for the provision of financial assistance to eligible individuals who are unable to pay in full or part for medically necessary medical care. This policy describes the Hoag Financial Assistance Program (FAP), and outlines Hoag's operational guidelines in relation to the availability of and eligibility for financial assistance, including charity care and discounted payment, for patients who demonstrate financial need as explained below.

SCOPE:

This policy applies to Hoag Memorial Hospital Presbyterian and its wholly owned subsidiaries, and Hoag Orthopedic Institute (collectively, "Hoag").

AUTHORIZED PERSONNEL:

Financial Assistance Specialist, Business Office Manager, Self-Pay Manager, Supervisor Self-Pay/Charity, Self-Pay Collectors, Financial Councilors, PAS Supervisors, Insured and Uninsured Patients

POLICY:

- A. Hoag seeks to address patient's health care and financial needs while remaining committed to the stewardship of Hoag resources. To ensure that Hoag obtains appropriate reimbursement for services provided, several payment options and programs are available to support the needs of uninsured and underinsured patients who demonstrate financial need.
- B. Hoag's Financial Assistance Program is widely publicized, including on the Hoag website, Conditions of Admissions, in postings throughout the Hospital and outpatient departments, and through notices and information given to patients at time of treatment, following discharge, or upon patient request.
- C. Patient billing processes shall remain in compliance with applicable laws and regulations, and Hoag policies relevant to patient financial assistance:
 - I. All Hoag patients receive information about Hoag's Financial Assistance Program at the time care is provided, at discharge, and/or when services are billed.
 - II. All Hoag patients may apply for financial assistance, with eligibility for assistance based on demonstrated financial need.
 - III. Access to necessary care shall in no way be affected by whether financial assistance and eligibility exists; medically necessary care will always be provided to the extent Hoag can reasonably do so.
 - IV. The need for financial assistance is a sensitive and deeply

personal issue for patients. All Hoag employees will maintain confidentiality of requests for financial assistance, the information obtained in the application process, and the approval or denial of financial assistance.

- V. To help ensure that patients' post-acute and follow-up health care needs are fully supported, Hoag provides information to those without third-party insurance coverage about applying for government-sponsored programs such as Medicare, Medicaid, Medi-Cal, the Healthy Families Program (CA), and coverage available through Covered California (CA), as well as other state or county-funded health coverage options. While patients are encouraged to explore and apply for these programs, participation is not required. Hoag offers assistance throughout the application process and will follow through to acceptance or denial to help patients navigate their coverage options with confidence.

LIST OF PROFESSIONALS SUBJECT TO HOAG'S FAP:

- A. Emergency Medicine physicians who provide services to patients in the Hoag Emergency Department at either Hoag Hospital campus, are required by law to provide discounts to uninsured patients and patients with High Medical Costs who are at or below 400% of the federal poverty level. In addition, Hoag maintains a list of physicians, medical groups, and other health care providers who provide services to Hoag patients, indicating those who offer discounted care through the Hoag Financial Assistance Program. Hoag will provide this list to any patient who requests a copy. The provider list may be located on Hoag's website: www.hoag.org/billing-information/financial-assistance-charity-care

BILLING PROCESS AND DETERMINING ELIGIBILITY FOR FINANCIAL ASSISTANCE:

- A. It is the expectation that the patient's estimated cost or liability will be collected in full, prior to or at the time of service. If a patient has insurance coverage for the service, their co-pay or other payment responsibility will be requested at time of service and insurance will be billed. If a patient states they have no insurance coverage and cannot pay in full at time of service, payment options and programs will be offered and will be consistent with the sequential order as outlined below:
 - I. Full payment will be requested.
 - II. Hoag will offer a reasonable payment plan based on the estimated cost for care, and a deposit payment will be requested, if Hoag and the patient agree on a reasonable payment plan. Health saving account may be considered in payment plan negotiation.
 - III. Hoag will assist patients in determining eligibility for government-funded programs including, but not limited to:
 - a. Medicare
 - b. Medi-Cal (CA)
 - c. Covered California
 - d. Other State and County funded health coverage programs.

- IV. When a payment solution cannot be found in Stages I - III above, then the patient's options for charity care or discounted payment should be considered. Pending applications for government-funded health program will not preclude the patient's eligibility for discounted care.

Important: If at any time, a patient requests information, or an application for Hoag financial assistance, it is promptly provided to the patient.

FINANCIAL ASSISTANCE PROGRAM OVERVIEW:

- A. The Financial Assistance Program at Hoag ensures that medically necessary health care is provided at discounted or no cost to uninsured and underinsured patients who meet financial eligibility requirements. Any uninsured or underinsured patient who is unable to pay for their Hoag bill and whose income meets the Federal Poverty Level (FPL) guidelines set forth below will be considered eligible for assistance through the Hoag Financial Assistance Program in accordance with those guidelines. Additionally, patients who incur qualified High Medical Costs may be deemed eligible for financial assistance.
- B. Hoag aspires to provide health care services in the communities it serves with the utmost dignity and compassion for each patient and family in its care. In a confidential and caring environment, patients are provided financial assistance to pay their Hoag bills, which ensures access to necessary health care services. This support is seen as an essential element in fulfilling their human dignity and enabling them to live more healed, more whole, and more capable of contributing to the common good.

COMPLETION OF THE FAP APPLICATION:

- A. Upon a patient's request, a Financial Assistance Program (FAP) application will be provided. Designated personnel will assist patients in completing the Financial Assistance application and determining eligibility for charity care, discounted payment, or government-funded programs, if applicable. Financial Assistance notices printed in English and Spanish are also placed in the public admission areas at Hoag. Interpretation services are available to address any questions or concerns and to assist in the completion of the Financial Assistance application.
- B. A patient, or patient representative, who requests a discount, charity care, or other assistance in meeting their financial obligation to Hoag shall make every reasonable effort to provide Hoag with documentation of income and health benefits coverage. If the person requests charity care or a discount and fails to provide information that is reasonable and necessary for Hoag to make a determination, Hoag may consider that failure in making its determination.
- C. Upon establishing full or partial eligibility under the Financial Assistance Program, the terms of assistance established will be valid for six (6) months from the date of the eligibility letter. Additionally, other pre-existing patient account outstanding balances at the time of eligibility determination will be included as eligible, excluding exceptions set forth in this policy. After six (6) months, a patient will need to reapply for consideration under the Financial Assistance Program. Discounts under the Financial Assistance Program will

only apply to hospital services for which financial assistance was requested and approved, and other hospital services provided within six (6) months following such approval.

- D. Hoag financial systems will be updated to reflect the charity care or discounted amount using the designated adjustment code for the full or partially approved amount.

PATIENT BILLING:

- A. Statements mailed to the patient will include a clear and concise notice advising the patient of the Hoag Financial Assistance Program and the appropriate contact information.
 - I. This notice shall also:
 - a. Advise the patient that they may be eligible for programs such as Medicare, Medi-Cal (CA), Covered California or other state or county funded health coverage programs.
 - b. Offer assistance to the patient to apply for any of these programs and that Hoag will provide the patient with an application.
- B. Patients in the process of qualifying for government financial assistance or the Financial Assistance Program will not be assigned to collections prior to 180 days from the date of initial post-discharge/treatment billing.
- C. If a patient is attempting to qualify for eligibility under the Financial Assistance Program and is attempting in good faith to settle an outstanding bill with Hoag by negotiating an extended payment plan or by making regular partial payments of a reasonable amount, Hoag shall not send the unpaid bill to any collection agency or other assignee, unless that entity has agreed to comply with guidelines outlined in California Health and Safety Code Section 127400 et seq.
- D. Insured or uninsured patients, who at the sole discretion of Hoag are reasonably cooperating to settle an outstanding hospital bill by making regular and reasonable payments towards their outstanding hospital bill, will not be sent to an outside collection agency if doing so would negatively impact the patient's credit.
- E. Any extended payment plan may be declared no longer operative after 90 consecutive days without payment. Before declaring the extended payment plan no longer operative, Hoag shall make a reasonable attempt to contact the patient by telephone and to give notice in writing that the extended payment plan may become inoperative, and of the opportunity to renegotiate the extended payment plan. Prior to the extended payment plan being declared inoperative, Hoag shall attempt to renegotiate the terms of the defaulted extended payment plan, if requested by the patient. Hoag shall not refer to the collection agency or commence a civil action against the patient or responsible party for nonpayment at any time within 180 days after the initial post-discharge billing or prior to the time the extended payment plan is declared to be no longer operative.
- F. Patients who communicate that they have an appeal for coverage of services pending will not be forwarded to collections until the final determination of that appeal is made.

APPLYING FOR FINANCIAL ASSISTANCE

- A. Patients may apply for financial assistance by submitting a completed Financial Assistance Program Application. Financial Assistance Program applications are available by visiting Hoag.org, emailing PFS@hoag.org or by connecting with Patient Financial Services at 949-764-8400.

 - III. Hoag will provide assistance with completion of an application for the Financial Assistance Program as needed and will also provide guidance and/or direct assistance to patients as necessary to facilitate completion of government low-income program applications when the patient may be eligible.

 - VI. Patients applying for discounted payment only are required to provide I and II (i.e. pay stubs or tax returns). They may provide additional information to demonstrate financial eligibility.
- C. Hoag relies on the fact that information presented by the patient is complete and accurate. Provision of financial assistance does not eliminate the right to bill, either retrospectively or at the time of service, for all services when fraudulent, inaccurate or incomplete information has been given. In addition,

Hoag reserves the right to seek all remedies, including but not limited to civil and criminal damages from those who have provided false, inaccurate or incomplete information in order to qualify for the Financial Assistance Program.

INCOME QUALIFICATIONS:

A. Uninsured patients with a family income at or below 400% of the current federal poverty level (FPL) who are unable to pay for medical care or under-insured patients whose annual out of pocket cost incurred by the individual at the hospital that exceed 10%(percent)of the patient's family income in the prior 12 month who are unable to pay for medical care may qualify for financial assistance. Based on income alone, without consideration of monetary assets, patients may be eligible for either charity care, which covers services at no cost, or discounted care, which offers reduced charges but is not free. The level of assistance provided depends on the criteria outlined below.

If the income % of FPL is:	And the Patient is:	Then:
200% or Less	Uninsured or Insured	Full Financial Assistance, entire (100%) patient liability portion of the bill for services, will be written off.
201% - 400%	Uninsured	Partial Financial Assistance, the patient payment obligation will be a 50% of the gross amount the Medicare program would have paid for the services. The patient obligation will be reduced by the insurance payments:
201% - 400%	Insured	If the amount paid by the insurance exceeds what Medicare would have paid: Then Full Financial Assistance, the entire (100%) patient liability portion of the bill for services, will be written off.
		If the Medicare payment LIKE rate is greater than the HMO/PPO rate for services rendered: Then the patient payment obligation will be based on the HMO/PPO payment rate (deductible, copy, coinsurance, etc.), then there is no discount.
201% - 400%	Insured yet services are NOT covered by	The following will apply: If the patient ordinarily would Then Partial Financial Assistance, the total patient payment obligation

the payer be responsible for the full billed charges: will be based on the Medicare, Medi-Cal, or other government sponsored health program payment rate that would have applied had the service been covered.

AUTOMATIC CLASSIFICATION FOR CHARITY CARE:

B. Under the following special circumstances, patient may be deemed eligible for charity care without absolute requirement for submission of a financial assistance application:

Circumstance	California
Eligible for other FPL- qualified programs	(Addressed in Other Special Circumstances section below)
Disabled	n/a
Deceased	Is deceased and without third-party insurance coverage or identifiable estate, no living spouse
Incarcerated	n/a
Homeless	Is determined to be homeless and is not currently enrolled in Medicare, Medicaid or any government sponsored program, without third-party insurance coverage
Seen in ER, unable to bill	Is treated in the Emergency Department but Hoag is unable to issues a billing statement
Access to Care	Is treated through an Access to Care Program

OTHER SPECIAL CIRCUMSTANCES:

A. Patients who are in bankruptcy proceedings may have their debt discharged by the court. Hoag staff can validate this status by obtaining from the patient a legal document showing discharge for accounts not yet in collection. Hoag’s external collection agency may also determine that a patient’s debt has been

- discharged through bankruptcy.
- B. Patients who are eligible for FPL - qualifying programs such as Medi-Cal, Medicaid, and other government-sponsored low-income assistance programs, are deemed to be indigent. Therefore, such patients are eligible for Charity Care when payment for services is not made by the FPL-qualifying program. Patient account balances resulting from non-reimbursed charges are eligible for charity care write off. Medi-Cal Share of Cost obligations are not eligible for charity write-off or the discount program.
 - C. Specifically included, but not limited to, are eligible charges related to the following:
 - I. Denied inpatient stays for medically necessary services.
 - II. Denied inpatient days of care; charges related to days exceeding a length of stay limit.
 - III. Eligible non-covered services.

 - V. Denials due to restricted coverage, including Medi-Cal Restricted Aid Codes (i.e., Patients that may only have pregnancy or emergency benefits, but receive other hospital care).
 - VI. Out-of-State Medicaid claims with "no payment" (i.e., Out-of-State Medicaid claims that cannot be billed due to lack of a provider agreement with the applicable state).

PRESUMPTIVE CHARITY:

- A. Hoag recognizes that a portion of the uninsured or underinsured patient population may not engage in the traditional financial assistance application process. If the required information is not provided by the patient, Hoag, in certain instances, may make reasonable assumptions based on the Automated Predictive Scoring Tool (ASPT) to qualify patients for Charity Care. ASPT predicts the likelihood of a patient qualifying for Charity Care based on publicly available data sources. ASPT provides estimates of the patient's likely socio-economic standing, as well as the patient's household income and size.
- B. **QMB patients:** Qualified Medicare Beneficiaries: Eligible for charity write off when no secondary or Medi-Cal information is obtainable or balance after secondary other than SOC: Medicare providers and suppliers may not bill people in the QMB program for Medicare deductibles, coinsurance or co-pays, but state Medicaid programs may pay for those costs. Under some circumstances, federal law lets states limit how much they pay providers for Medicare cost sharing. Even when Medicare allows cost sharing, people in the QMB program have no legal obligation to pay Medicare providers Part A or Part B cost-sharing.

CATASTROPHIC MEDICAL EXPENSES

- A. Hoag, at its discretion, may grant charity care or discounted care in the event of a catastrophic medical expense. These patients will be handled on an individual basis.

APPROVAL LEVELS:

A. Financial assistance determinations will be made only by approved Hoag personnel according to the local levels of authority.

B. Notification of Determination

- I. Patients will receive notification of Hoag's determination within 30 days of submitting the completed FAP application and supporting documentation.

C. Patient Disputes

- I. A decision about eligibility for the FAP is determined after the application is reviewed for eligibility based on criteria contained in this policy. Financial assistance shall not be provided on a discriminatory or arbitrary basis; however, Hoag retains full discretion to establish eligibility criteria based on sufficient evidence and information provided by the patient or guarantor.

D. In the event of a dispute, a patient or guarantor may seek review from Hoag management or the Executive Director of Revenue Cycle via email at PFS@hoag.org or in writing by providing additional information to support the dispute at:

WHAT IS THE PATIENT FINANCIAL ASSISTANCE PROGRAM?

Hoag's Financial Counseling Department offers free financial screenings for people who do not have health insurance and cannot pay their Hoag bill, as well as patients who do have insurance, but are unable to pay their portion of the bill that insurance does not cover.

Our Financial Counselors will review your eligibility for Medicare, Healthy Families Program, Medi-Cal, or other coverage offered through the California Health Benefit Exchange, California Children's Services program, other state- or county-funded health coverage, or charity care. If you already have coverage through one of these

programs, please notify our Financial Counselors immediately. Patients ineligible for government assistance may still qualify for discount or charity programs available through Hoag. You may also be referred to www.OCGOV.com for local assistance.

If you lack, or have inadequate, insurance, and you meet low- and moderate-income requirements, you may qualify for discounted payment or charity care.
